Please find below and/or attached an Office communication concerning this application or proceeding.

Response to Amendment

1. The reply filed on July 7, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the amendment to the specification is not in proper format. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
2. In your amendment, you have inadvertently attempted to make several amendments in improper format. For instance, in the amendment to the paragraph on page 1 beginning at line 4, you have made some sort of hand-drawn marking over the word "fore". I believe you are trying to amend "fore" to be "for". You have inadvertently done similar hand-drawn marking to the specification amendments for page 1 beginning at line 18 and for page 2 beginning at line 13. Please re-submit your amendment with the amendment to the specification in proper format. It is not necessary to re-submit the claims.
